That said ... I have something to share with you that's like nothing I've ever seen before. Rarely do I find a program 100% GUARANTEED to work for anyone.

Yet for 30 years, Success Expert Jack Zufelt has been showing millions of men and women just like you how to get anything they want ... guaranteed ... no matter what it is. That alone is reason enough to LOOK at this, deal?

Jack Zufelt uses a SUPER SIMPLE system with 2 main steps he guides people through.

What's AMAZING is that, for anyone who was willing to just go ahead and [TRY IT](#) ... it's worked every single time!

And now we know why Jack's little system never fails:

These are the same 2 steps the most successful people in history have always used to get what they want.

And just recently, Jack's mechanism, which helps you to go from mediocre or underachieving to SUPER successful, has been SCIENTIFICALLY PROVEN.

It is the activation of your "Success Gene" that makes it possible for you to succeed in getting anything you want ... even things you currently don't think are possible for you.

We're all born with this gene. The problem is ... It's dormant in 97% of us, which is why only the top 3% are super successful.

The good news is ... Jack has a new program that makes activating your Success Gene as EASY as it gets.

In six SIMPLE online sessions, which includes live calls with Jack, you'll learn how to activate your Success Gene in the shortest amount of time. Once you do, you'll spend the rest of the time getting what you want as fast as possible. Then, use this simple process over and over for the rest of your life to get whatever you want.

[GO HERE NOW](#) to find out more.

I hope you TAKE THIS OPPORTUNITY to experience the joy and excitement that Jack's simple, 2-step system brings to your life. And how your future quickly and drastically changes because you're achieving what you want MOST in life ... one after another as fast as possible.

**Subject line 1:** "Success Gene" discovered  
– trigger it to achieve more

**Subject line 2:** Science finds "Success Gene" - here's how to activate it...

Hi [First Name Goes Here],

I'm Vic Conant, president of Nightingale-Conant.

I just talked to a good friend of mine, Success Expert Jack Zufelt, and he told me that top scientists just recently discovered a human "Success Gene."

Problem is... research ALSO shows that this gene, which we're all born with, is dormant in 97% of the population.

So odds are, yours is not activated either, which Jack explained as the reason why you aren't getting everything you want in life, nor are you as successful as you could be.

The GOOD news is... it's rather EASY and QUICK to activate your Success Gene, which unleashes the traits you MUST HAVE to achieve BIG.

And that's exactly what my buddy Jack Zufelt does. He shows people just like you how to do it using a SIMPLE 2-step process that activates your Success Gene. Once you do, you'll start to achieve one thing after another for the rest of your life.

This is SCIENTIFICALLY PROVEN to work.

I've never seen anything like it .... and I've been around personal development for a very long time. It's so RELIABLE it's worked every single time for every single person who has followed this simple 2-step process.

And the cool thing is ... a major EYE-OPENING EXPERIENCE for you ... and it's FUN!

In fact, Jack's AMAZING little formula is the same one the most successful people in history have been using to achieve whatever they want.

This is now so popular ... he's been interviewed on more than 2,000 radio and TV talk shows, including the TODAY SHOW, CBS, and PBS.

As a TRUE Success Expert, Jack's only mission is to help millions more just like you to get what they want ... no matter what it is.

[GO HERE](#) to discover what scientists and Jack Zufelt know you MUST HAVE to activate your "Success Gene"... so you can ACHIEVE ANYTHING you want in life ... as fast as possible.
